Dear Potential Sponsor,

This is a very exciting time for North Country Goalie Development LLC. We are getting ready to take on our 4th season, with the organization growing every year.

Our goal is to bring to the North Country, our own goalie training facility. We want to be able to develop top prospects in our region. During the 2018- 2019 season, NCGD had the opportunity to work with 57 goalies.

Unfortunately, like most sports, hockey requires a great deal of funding and sponsorships to continue in the great tradition of training and development. We are inviting you to take part in the development of the only goalie school in our region.

This year is the time for NCGD to put all their energy into bringing a training facility to our community. Any money donated will go to supporting young goalies that are trying to better themselves at the game of hockey in our beautiful community. Not only will we be teaching the fundamentals of hard work and dedication, but we will introduce these young goalies to commitment. When we help them learn to perform at their best and becoming a responsible member of the community we help ensure success for their future in the game.

We are looking for companies to join our team. We are looking for a minimum donation of $250. This donation will give you a lot of exposure during our clinics and within the NCGD community. Please see the attached sheet for a list of the various forms of recognition you will get.

Please consider this opportunity as we are greatly looking forward to this season and appreciate all of your support. Feel free to contact us to set up a meeting so we can both learn more about each other and our organization's goals and priorities. If you are unable to take part in this specific sponsorship deal but are looking to help in other ways, we are eager to work with you.

You can contact our president Roch Belley by phone at 518-565-6340 or by email at rochbelley@ncgdhockey.com

Best regards,

Roch Belley
President
